**The Strand** is a new luxury resort community located on 2,230 feet of oceanfront in Providenciales. The property features single-bedroom suites, multibedroom villas and large residences. The luxury accommodations offer ocean views, floor-to-ceiling glass doors, spacious terraces and infinity pools. Amenities include a restaurant and beach club, tennis courts, pickleball courts, a kids' club and a marina, which offers guests access to a Boston Whaler with a private captain. An upscale restaurant and bar, The DelMar, features an outdoor beachfront patio with cabana seating dotted throughout and a kitchen naturally built into the hillside with a living green roof. The cuisine combines flavors from Asia, Latin America and the Mediterranean. [thestrandtci.com](http://thestrandtci.com)

This season, Grace Bay Resorts introduces **South Bank**, a residential resort and marina. The destination features elevated water transportation in partnership with RED Hospitality, including a lavish 65-foot catamaran that boasts a full-service bar, indoor and outdoor seating areas and private dining. Guests can indulge in morning and afternoon snorkel sails, sunset cruises or private charters, along with exclusive water transportation between all resorts in the Grace Bay Resorts portfolio. Back at Grace Bay Club, a multimillion-dollar renovation unveils a chic new beach club concept, Off Shore, along with upgraded beachfront cabanas and rejuvenated villas suites. As if that weren't enough, Grace Bay Club's famous Infiniti Bar—the longest bar in the Caribbean—debuted a stunning redesign in November, so you can sip those mai tais in true island style.
